Explanation:

Call for papers closing:

By the date stated for each issue, we should at least have a first draft of the paper to send to our reviewers.

Editorial deadline:

By the date stated for each issue, the paper should have its final form and be released by the author and the editorial team in Hinwil.

Printing date:

After this date, changes can no longer be made because the new issue is being printed.

Mailing date:

The new issue is sent to our readers.
